

# Lake Forest

## HOME ASSOCIATION

### Hearing Park Cleaning Checklist

The LFHA Event Coordinator, or designated board member, shall ensure the Pavilion is clean and ready for use.

The **Resident** shall ensure the Pavilion is returned in the same manner as it was reserved.

Please follow pack-in/pack-out rules if possible. The park garbage cans are emptied once a week. If the cans are close to overflowing, please take your trash with you. Keep in mind, we have wildlife that like to rummage through the garbage cans if the lids are left open (even slightly).

Please report any concerns to [lfhabod@gmail.com](mailto:lfhabod@gmail.com)

- Tables and seats are wiped off and clean
- Cement pad is free of trash and debris
- Trash cans are secured and closed
- Bathroom is clean and free of trash
- Balloons, streamers etc are removed from structure
- BBQ grill is clean and any large food debris has been removed

Thank you for helping us to keep our park clean and beautiful for our neighbors.
